

**First Love**  
by Jeremy Horn

**E Bm A E A B E**  
Although I am changing You're unchangeable oh God

**C#m Amaj7 Bsus4**  
You will be my first love, be my first love

**E Bm A E A B E**  
And for all the changes that You lead me through oh God

**C#m Amaj7 Bsus4**  
You will be my first love, be my first love

**E Emaj7**  
Every morning when the sun comes up

**F#m11 Bsus4**  
And every evening when the day is done

**C#m Amaj7 Bsus4**  
You will be my first love, be my first love

**E Emaj7 F#m11**  
Even when You fill my heart's desi-res

**Bsus4**  
Even when You are consuming fire

**C#m Amaj7 Bsus4**  
You will be my first love, be my first love

**E Bm A E A B E**  
Although I am shaken You're unshakable oh God

**C#m Amaj7 Bsus4**  
You will be my first love, be my first love

**E Bm A E A B E**  
So let my idols crumble You're unshakable oh God

**C#m Amaj7 Bsus4**  
You will be my first love, be my first love

**A2 Bsus4 A2/C# B/D# A2**  
May every day and every way I live bring glory to You Lord **x3**

**B C#m B**  
Be my first love
