In Your kindness I find, a redemption that's mine

A/E A/D
That I cannot explain

A F#m7
How Your love reaches down, through my shame and my doubt

A/E A/D
Making my ugliness fade

A F#m7 A/E
When my life is a mess and Your righteousness is all I

A/D
You're all I have

A
Only You can see my heart

F#m7
Only You can know my heart

A/E A/D
Only You can love my heart and say

A
You're still beautiful to Me

(A)
Only You can change my heart

F#m7
Only You can touch my heart

A/E A/D
Only You can clean my heart and say

A
You're still beautiful to Me

Every sin leaves a grime, that will darken with time

That I cannot erase
